**HBO®**

Get into the gritty and decadent world of NYC's Times Square in the 1970s, as the business of pleasure begins its climb to become a billion-dollar industry in this new drama series from the creative team behind *The Wire*® and *Treme*®. Seizing the chance to cash in on the rapidly growing flesh industry are a vivid assortment of characters, including: Vincent Martino (James Franco), a bartender with vision and connections and his freewheeling twin

Frankie (Franco again); Candy (Maggie Gyllenhaal), a self-made sex worker eyeing a new career in porn filmmaking; pimps C.C. (Gary Carr) and Larry Brown (Gbenga Akinagbe); prostitutes Darlene (Dominique Fishback) and Lori (Emily Meade); cop Chris Alston (Lawrence Gilliard, Jr.); reporter Sandra Washington (Natalie Paul); mob capo Rudy Pipilo (Michael Rispoli); and college student Abby (Margarita Levieva). Spencer Strasmore and an endearing assortment of colleagues, rivals and pro-football clients return for Season 3 of HBO's hit comedy series that digs deeper into the high-stakes, big-money world of football in Miami, FL, and beyond. This season, Spencer and longtime colleague Joe Krutel (Rob Corddry) look to forge bonds with new players across the country—while rolling the dice on a huge opportunity. (AC,AL,N,V) TVMA/L-32

Creator/writer/star Issa Rae returns for Season 2 of this hit comedy series that follows best friends Issa (Rae) and Molly (Yvonne Orji) on their quest to “have it all,” while dealing with work woes, romantic escapades and awkward moments. This season, Issa explores the single-girl life in the aftermath of her breakup with Lawrence (Jay Ellis), just as a new work assignment puts her friendship with colleague Frieda (Lisa Joyce) to the test. (AC,AL) TVMA/L-28

School's back in—and the saga of Vice Principals Gamby & Russell concludes in the second and final season of this hit HBO comedy series. Picking up where things left off in the wake of a Season 1 cliffhanger—with the newly promoted co-principals' cars torched and Gamby shot by a masked assailant—the series moves ahead to answer the ultimate question: who shot Gamby? Danny McBride and Walton Goggins star. (AC,AL) TVMA-31

Witness the sexy, scary, funny and unexpected in Room 104: an average American motel room where the stories of the characters who pass through it on any given night unfold in this series created by Jay and Mark Duplass (*Animals*, *Togetherness*). Each episode tells a different story, as the room stays the same, everything else—the tone, the plot, the characters, even the time period—changes. (AC,AL,N,V) TVMA/L-29

SCARY TIMES CALL FOR A SCARED MAN.

LAST WEEK TONIGHT<sup>™</sup>  
WITH **JOHN OLIVER**

SUNDAYS 11 PM **HBO<sup>®</sup>**

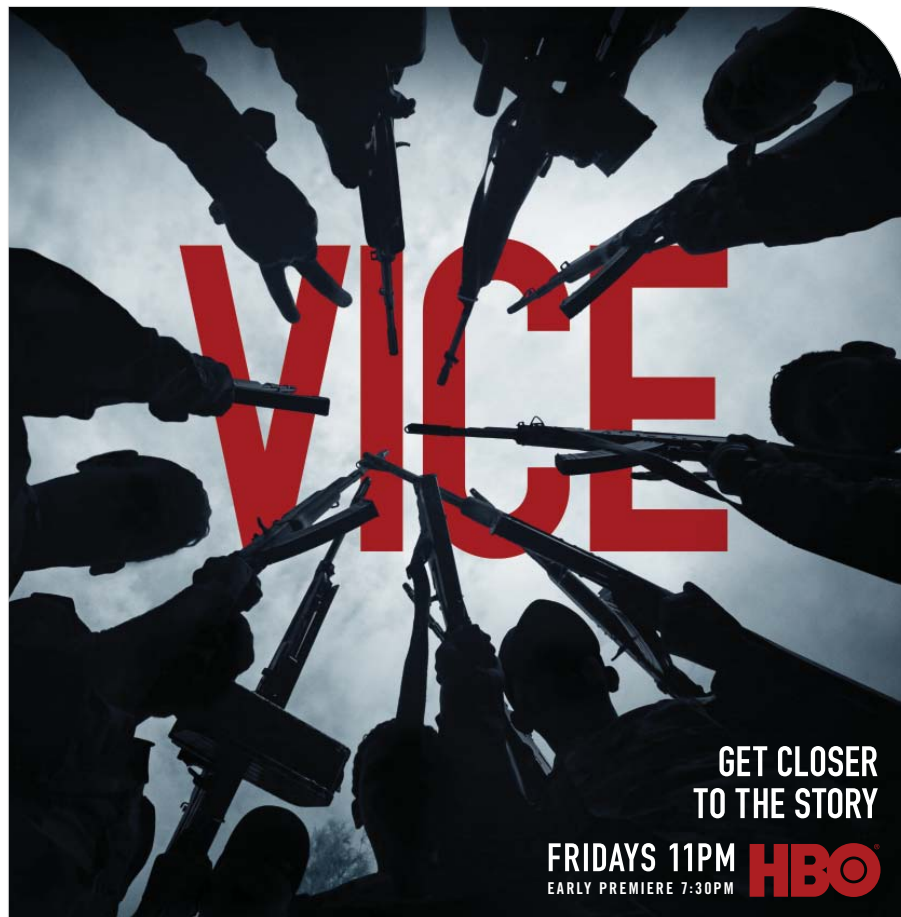

One of the funniest, most refreshing personalities to hit the TV scene, John Oliver returns with more new editions of this series that takes a topical look at the week in news, politics and current events. Each show is shot in New York within hours of airing and offers Oliver a unique platform to offer his distinct perspective on issues facing the world today while also featuring a variety of special guests and segments. LET'S MAKE  
AMERICA  
SANE AGAIN

**REAL TIME**  
WITH  
**BILL MAHER**

**FRI**  
**10PM** **HBO<sup>®</sup>**

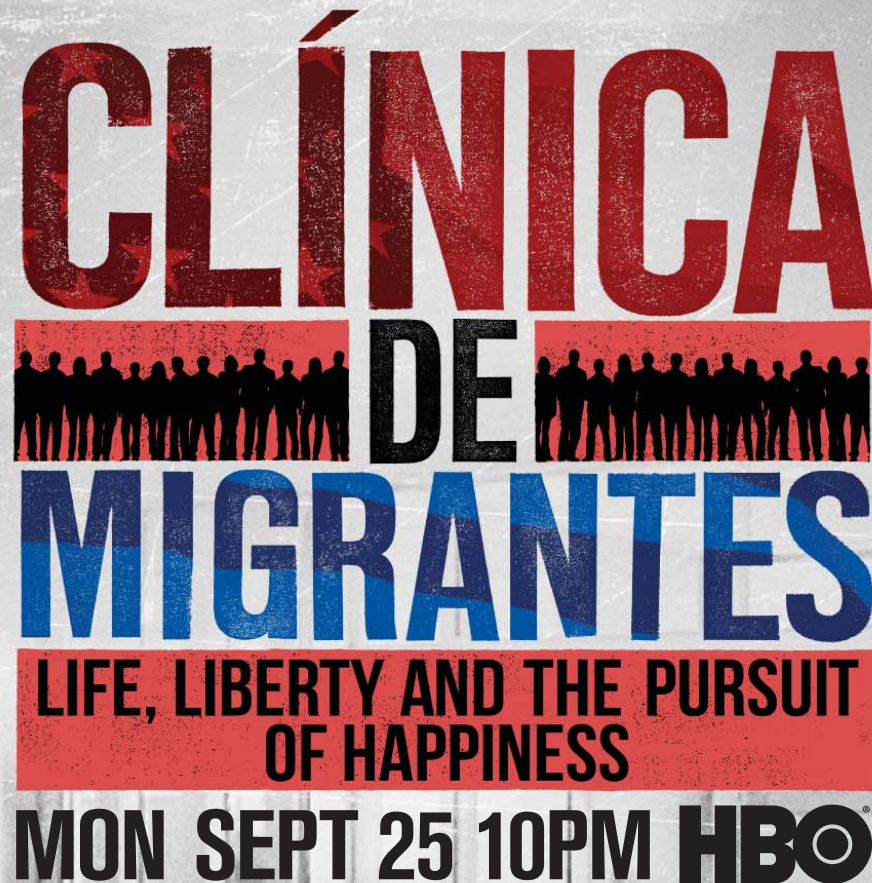

Outspoken, controversial and always entertaining, Bill Maher returns with all-new editions of his award-winning comedy/talk series. Each new edition features Maher's opening monologue, a top-of-show interview, a panel discussion, mid-show guest, special taped segments and Maher's "New Rules" finale exposing society's most absurd habits or institutions. (AC,AL) TVMA/L-:57

Winner of the 2014 Emmy® for Outstanding Informational Series or Special, HBO's *VICE* continues its 5th season with more all-new editions. As fans of the first four seasons can attest, some of the most compelling, important news stories go unreported by mainstream media outlets—but not by *VICE* and its intrepid team of correspondents, who deliver hard-hitting stories from around the world. (AC,AL) TVMA-27

The first news program of its kind to air on HBO, *VICE News Tonight* provides an indispensable source of up-to-date news to viewers who have grown increasingly skeptical of the daily broadcast news format. Distinguishing itself from traditional daily TV newscasts, the show has no anchor, and instead utilizes correspondent-reported field pieces, newsmaker interviews and profiles, animation and graphics, and “from-the-desk” reports. LIFE, LIBERTY AND THE PURSUIT  
OF HAPPINESS

MON SEPT 25 10PM HBO®

Underserved and ignored, undocumented immigrants with medical issues often end up in emergency rooms for care, a costly last resort in which patients can be charged thousands of dollars for little more than an aspirin. Filmmaker Maxim Pozdorovkin (HBO's *Pussy Riot: A Punk Prayer*) shines a well-deserved light on Puentes de

Salud, a health-care clinic serving a population that all-too-easily slips through the cracks. As it plans a larger facility to accommodate its rapidly increasing demand, Puentes' executive director Dr. Steve Larson and his team must find a way to keep their practice running in spite of numerous obstacles. For over four decades, *Sesame Street* has helped children grow smarter, stronger and kinder by providing preschoolers with the gold standard in quality educational programming. Now, the award-winning series brings exciting new changes to the Street, like a greatly anticipated, reimagined "Elmo's World" segment,

as well as a new kindness curriculum throughout, including the new, interactive "kindness cam" segment. In addition to a host of A-list celebrity appearances, Season 47 also marks the introduction of new *Sesame Street* Muppet characters who will become a part of the *Sesame Street* family in future episodes. TVY-27

Here is a “monster movie” unlike any other. Conor is overwhelmed by the troubles in his life, most notably the impending loss of his terminally ill mother. Sigourney Weaver, Felicity Jones, Toby Kebbell, Lewis MacDougall and Liam Neeson star. (AC,MV) PG13-1:48

His destiny is in his blood—a lineage of violence that stretches all the way to the Spanish Inquisition. From the video-game series comes this battle-packed film starring Michael Fassbender as a death-row inmate sent back in time to learn his ancestors' killing skills. (AC,AL,V) PG13-1:56

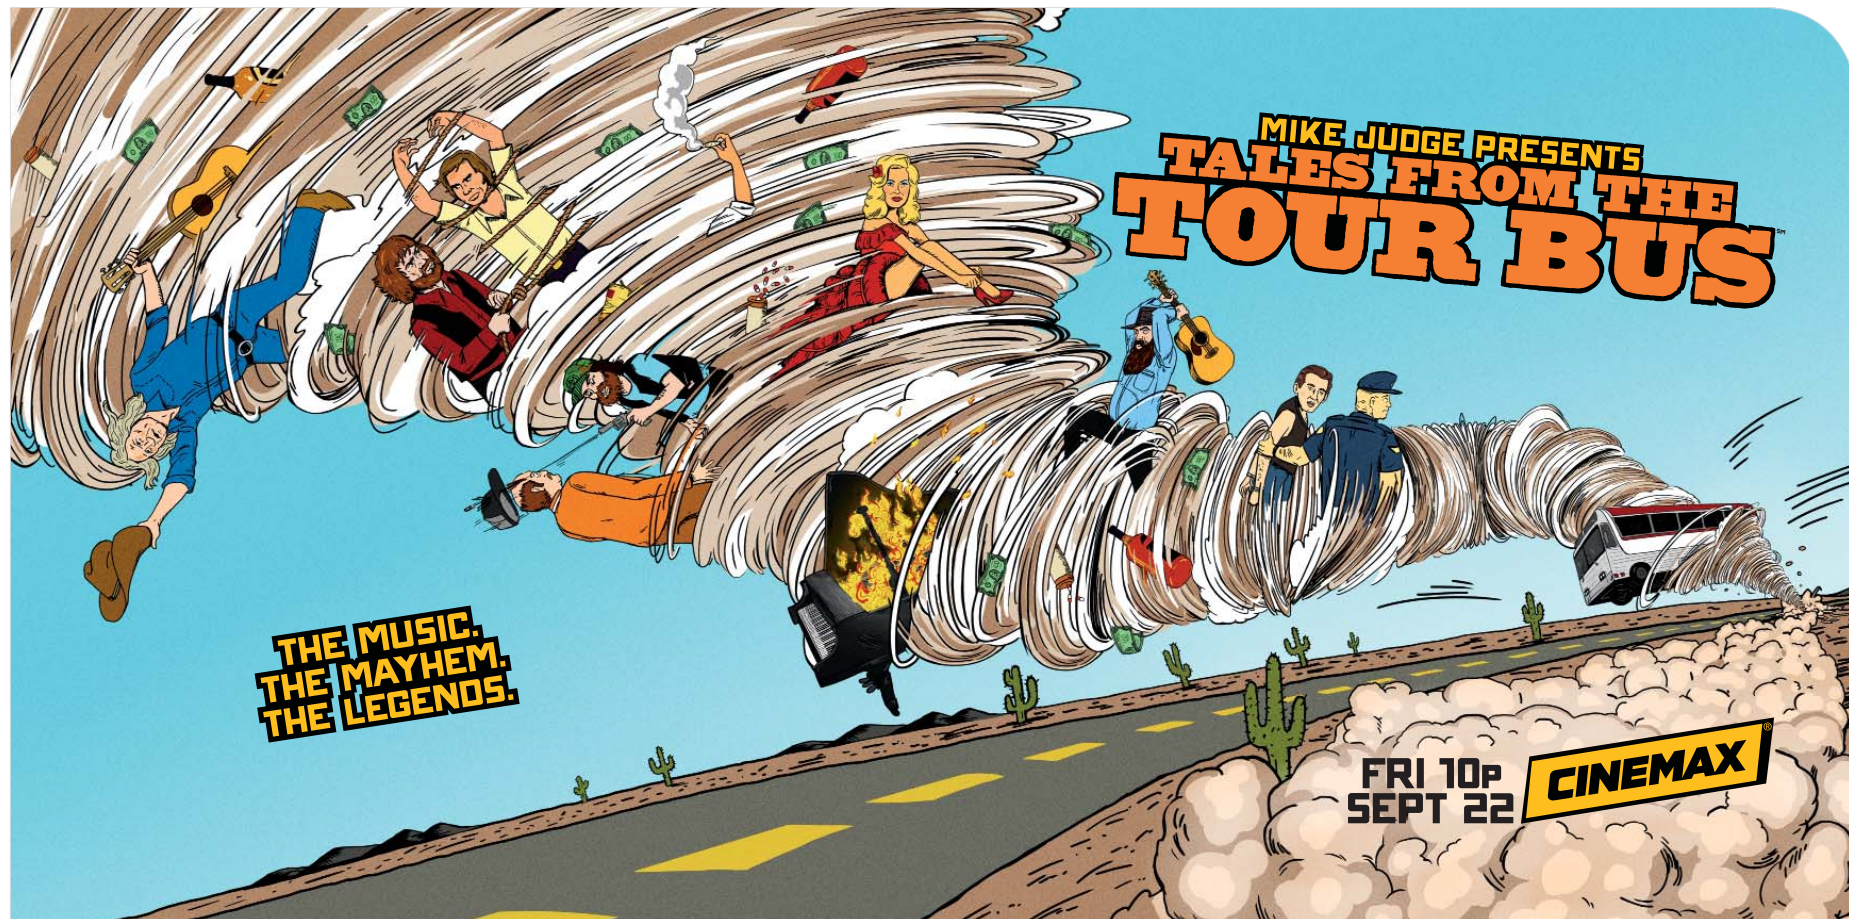

**STARTS SEPTEMBER 23**

It's every father's nightmare: meeting his daughter's boyfriend and discovering he's an epic screwball. James Franco stars as the free-spirited, no-filter Silicon Valley bro who is the maddening opposite of what uptight dad Bryan Cranston expected for his little girl. (AC,BN,GL,MV) R-1:51

**STARTS SEPTEMBER 30**

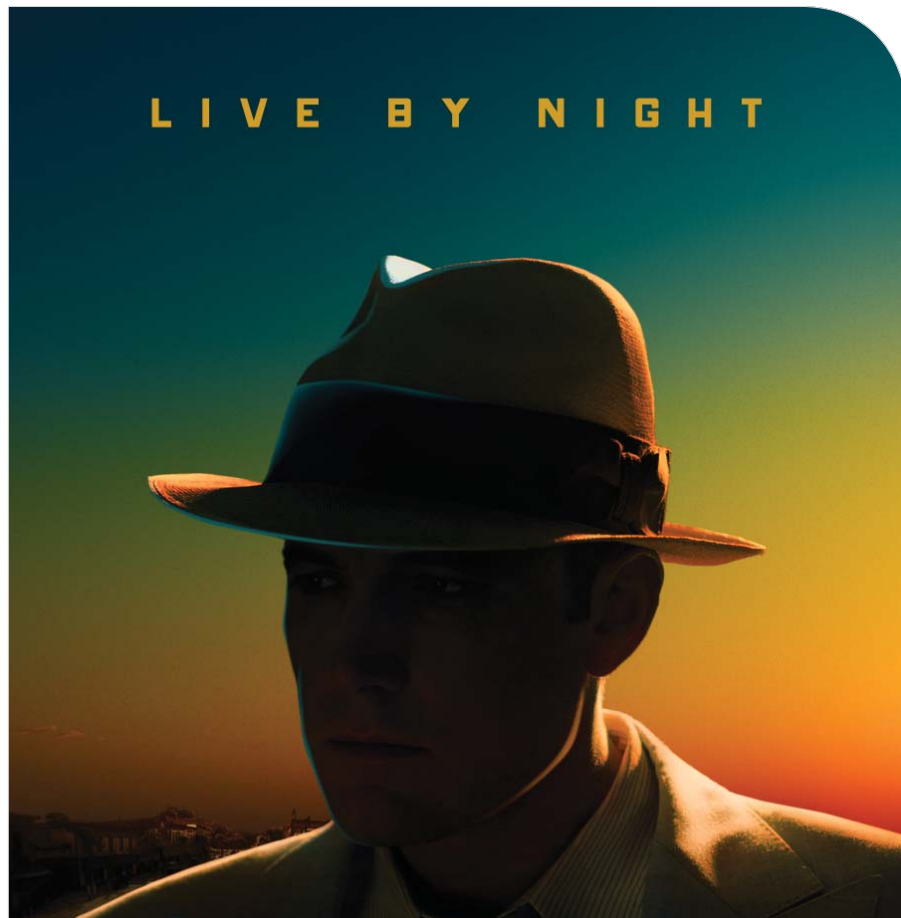

Hit the road with the craziest stories from some of country music's greatest singers. From Mike Judge, the hilariously demented mind behind *Beavis and Butt-head*, *King of the Hill* and HBO's *Silicon Valley*, comes this comedy series that shines a spotlight on misbehaving country musicians and their incredible on-the-road adventures. Follow the true (and truly unbelievable) exploits of country stars from the 1960s and 1970s, including

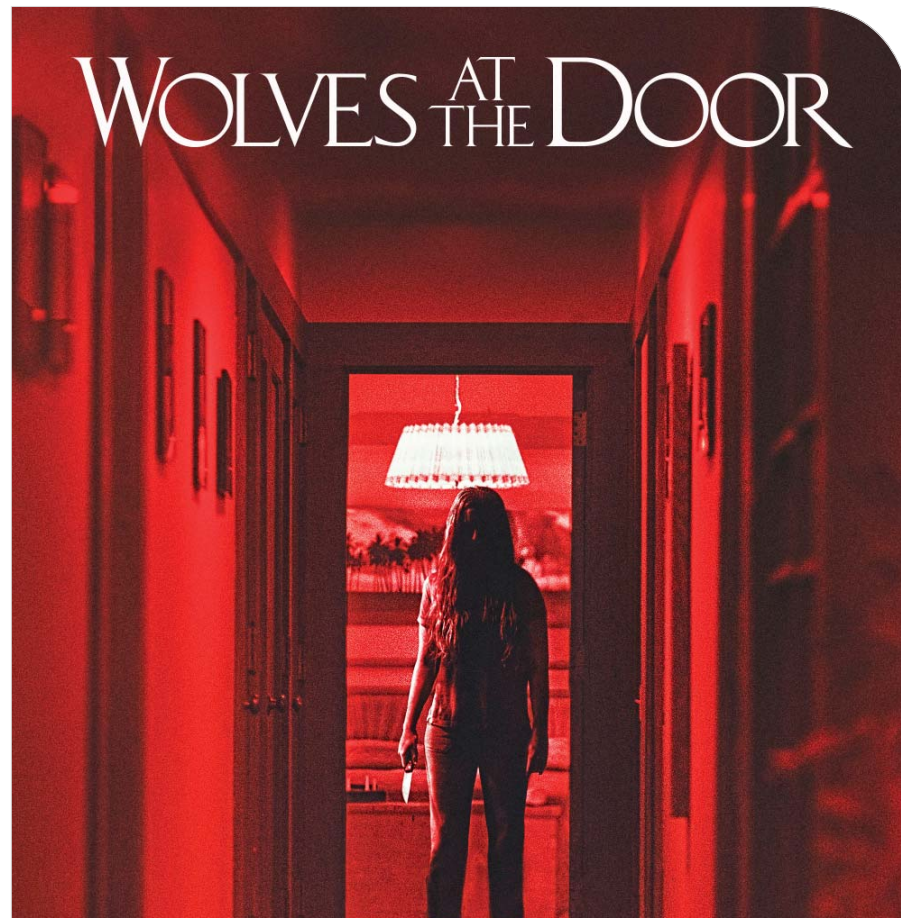

Johnny Paycheck, Waylon Jennings, Jerry Lee Lewis, Tammy Wynette and George Jones, as told by the people who knew them best. In addition to live-action performance footage and archival photos, the series features narration by Judge and interviews with managers, producers, friends and former bandmates who share personal insights into these larger-than-life artists—all brought to life by animated reenactments. (AC,AL,N,V) TVMA/V,S,L-27

Director/star Ben Affleck (*Argo*, *The Town*) turns the gangster film on its ear with this raw, gritty and stylish crime epic. Affleck stars as the criminal son of a police chief in Prohibition-era Boston who takes the ultimate gamble: by taking the money and the moll of the city's most notorious mobster. Elle Fanning, Brendan Gleeson, Chris Messina, Sienna Miller, Zoe Saldana and Chris Cooper head up the supporting cast. (AC,AL,BN,V) R-2:09

**STARTS SEPTEMBER 22**

From the director of *Annabelle* and *Wish Upon* comes this terrifying thriller—inspired by the notorious Manson family murders—about four friends who endure a horrifying home invasion in the Hollywood Hills in 1969. Katie Cassidy, Miles Fisher, Elizabeth Henstridge and Adam Campbell star in this riveting shocker that never lets up. Directed by John R. Leonetti; written by Gary Dauberman. (AC,AL,V) R-1:12

**STARTS SEPTEMBER 28**

The case of a missing girl brings together a down-on-his-luck private eye and a savage enforcer in this comic thriller set in 1977 L.A. Russell Crowe and Ryan Gosling star as the duo whose investigation takes them down a sleazy and increasingly dangerous path. (AC, GL, GV, N) R-1:56

**STARTS SEPTEMBER 8**

After being sent to prison for insider trading, a ruthless corporate tycoon schemes to get back on top by starting a baked-goods company with her former assistant. Melissa McCarthy is at her raunchy best in this hilarious farce with Kristen Bell and Kathy Bates. (AC, GL, V) R-1:39

**STARTS SEPTEMBER 29**

The Four Horsemen return for their second act! This time, the Las Vegas illusionists set their sights on a trick designed to expose a high-tech company and its devious CEO—if they aren't tricked first. Jesse Eisenberg, Mark Ruffalo and Woody Harrelson star. (AL, MV) PG13-2:09
